Keep us, Oh God, from pettiness.  
Let us be large in thought, in word,  
in deed. Let us be done with fault  
finding and leave off self seeking.  
May we put away all pretence and meet  
each other face to face, without self  
pity and without prejudice. May we  
never be hasty in judgement and al-  
ways be generous. Let us take time  
for all things. Make us grow calm,  
serene and gentle. Teach us to put  
into action our better impulses,  
straight forward and unafraid.

Grant that we may realize that the  
little things that create differences  
that in the **big** things of life we are  
one. May we strive to touch and to  
know the great common human heart of  
us all and, Oh, Lord God, let us not  
forget to be kind.
